

Watershed Education Network

happenings for the week of June 15, 2009

QUICK LINKS: [CALENDAR](#) [FACEBOOK](#) [WEN ONLINE](#) [DONATE](#)

Help WEN fill the wader! The West Slope Chapter of Trout Unlimited has offered WEN another matching grant—Help us turn \$8,000 into \$16,000! You can donate [online](#), by mail (315 S. 4th East Missoula, MT. 59802), or swing by the office.

Cinnabar is giving WEN a matching grant so you can help us turn \$2,000 into \$4,000.

Calling Western Montana high school students: participate in the Liam Wood Fly Fishers and River Guardian Program this summer. Click [here](#) for additional information. **Contact** us through email or call the office at 541-9287. **UPDATE:** dates have changed, the first session will be taking place Aug. 3rd-7th and an overflow session may be taking place Aug. 10th-14th.

Stop by the Missoulian Angler, the only store in town with WEN items! WEN's retail items—beanies, hats, t-shirts (short sleeve and long sleeve) and our popular chocolate brown hoodies—are also avail-

ROCKSTAR: [Boardmember Corey Rath](#)

THIS SUMMER: See additional field trips and information [online](#)

Fri. and Sat. June 26, 27: WEN will be participating in the Bitterroot Bio Blitz, a 24 hour species inventory at Lee Metcalf wildlife refuge. Friday and Saturday June 26th and 27th—everyone is welcome! Find more information of their [website](#). Call the WEN office at 541-9287 or register online.

Mon-Fri. July 6-10: WEN will provide a river day as a part of the Words with Wings Writing Collaborative.

Wed. July 8: A group from Home Word will be going on a field trip to Peas Farm.

Wed. July 15: A group from Home Word will be going on a field trip to Greenough Park.

Mon-Fri. Aug 3rd-7th: The first week of the Third Annual Liam Wood Fly Fishers and River Guardian Program will be taking place.

Mon-Fri. Aug 10th-14th: The second week of the Third Annual Liam Wood Fly Fishers and River Guardian Program will be taking place if there is enough interest.

MILLTOWN:

The Milltown Dam Journeys Program has been refurbished to include personal interviews with Bonner and Milltown community members and to create specific curriculums for middle and high schools.

STREAM TEAM:

Stream team will be scheduling an outing when the weather warms up.

ANNOUNCEMENTS:

Missoula Water Quality Advisory meeting will be taking place Tuesday June 9 at the Missoula Health Department in their conference room.

Bonner History Booklets are available at Bonner School for \$20. Contact the Bonner School at 258-6151 or [online](#) for your copy.

For the latest on the Milltown Dam Superfund Site, check out Clark Fork River Technical Assistance Committee's (CFRTAC) website. We also have copies of the CFRTAC's "Dam News" if you want to stop by and grab one.

We are offering Missoula Aquifer Groundwater presentations through spring for all grades (pre-school through college). [Contact](#) us for more information.

We still have openings for classroom presentations and fieldtrips for Milltown Dam Journeys program. [Contact](#) Jeani for information and available dates.

See the Friends of Two Rivers community calendar [online](#).

We're offering Indian Education for All curriculum lessons for our School Stream Monitoring Program (SSMP). If you are interested in learning more, please contact Deb. For ideas for your own Indian Education for All curriculum visit the OPI [website](#).

The Watershed Education Network is a non-profit organization dedicated to fostering knowledge, appreciation and awareness of watershed health through science and outreach since 1996.

We're growing the next generation of water stewards!
